10601122_LIST.txt

PLUS Search Results for S/N 10601122 Searched Jul 09, 2007.
The Patent Linguistic Utility System (PLUS) is a USPTO automated search system for
U.S. Patents from 1971 to present. PLUS is a query-by-example search system which
produces a list of patents that are most closely related linguistically to the
application searched. This search was prepared by the staff of the Scientific and
Technical Information Center, SIRA.
